

Ahab and the White Whale, Nathanael and Insanity – One idea, always aiming straight for the goal. Relentless Drums, enraptured vocals, dusty guitars, snarly bass and floating synthesizers with doomy organs. Monomonic from Munich are creating a heavy rock mixture, inspired by the musical tradition of King Crimson, Black Sabbath and Kadavar while looking ahead to the future.

This is Monomonic – We are Monomonic

Georg Bruchner (Drums)

Oliver Strosetzki (Guitar)

Raphael Höps (Organ / Synth)

Pablo Mellado Garcia (Vocals / Bass)
